Early morning rehab chain smoking room groggy cigarrete men pencil drawing together dawn patient smoke gray drawn

Desc

X'th attempt at depicting the Early hours in our oldest rehab hospital's smoking room; when the early birds, unable to sleep any longer, start to gather and light the first of their many chain-smoked cigarettes over a cup of coffee and wait for Dawn. Q1 2023

1st Attempt
Groggybunch1

Five groggy early risers smoking five cigarettes at 5am in a dimly lit, claustrophobically small smoking room, slowly waking up over small talk and coffee.

Artistic portrait of a real life everyday scene in the alcoholism & drug addiction treatment ward.

2nd Attempt

Prompt: Five groggy bitter sleepy men chain smoking cigarettes in a small and claustrophobic, dimly lit elongated, gray tiled waiting room with massive gray tile walls, filled with thin smoke, while drinking coffee, before dawn. In the style of a hand pencil drawing.

3rd attempt : applied instruction of attempt 2 to result of attempt 1.

Result :

Attempt 4: same prompt as 2:

Five groggy bitter sleepy adult men chain smoking cigarettes in a small and claustrophobic, dimly lit elongated, gray tiled waiting room with massive gray tile walls, filled with thin smoke, while drinking coffee, before dawn. In the style of a hand pencil drawing.

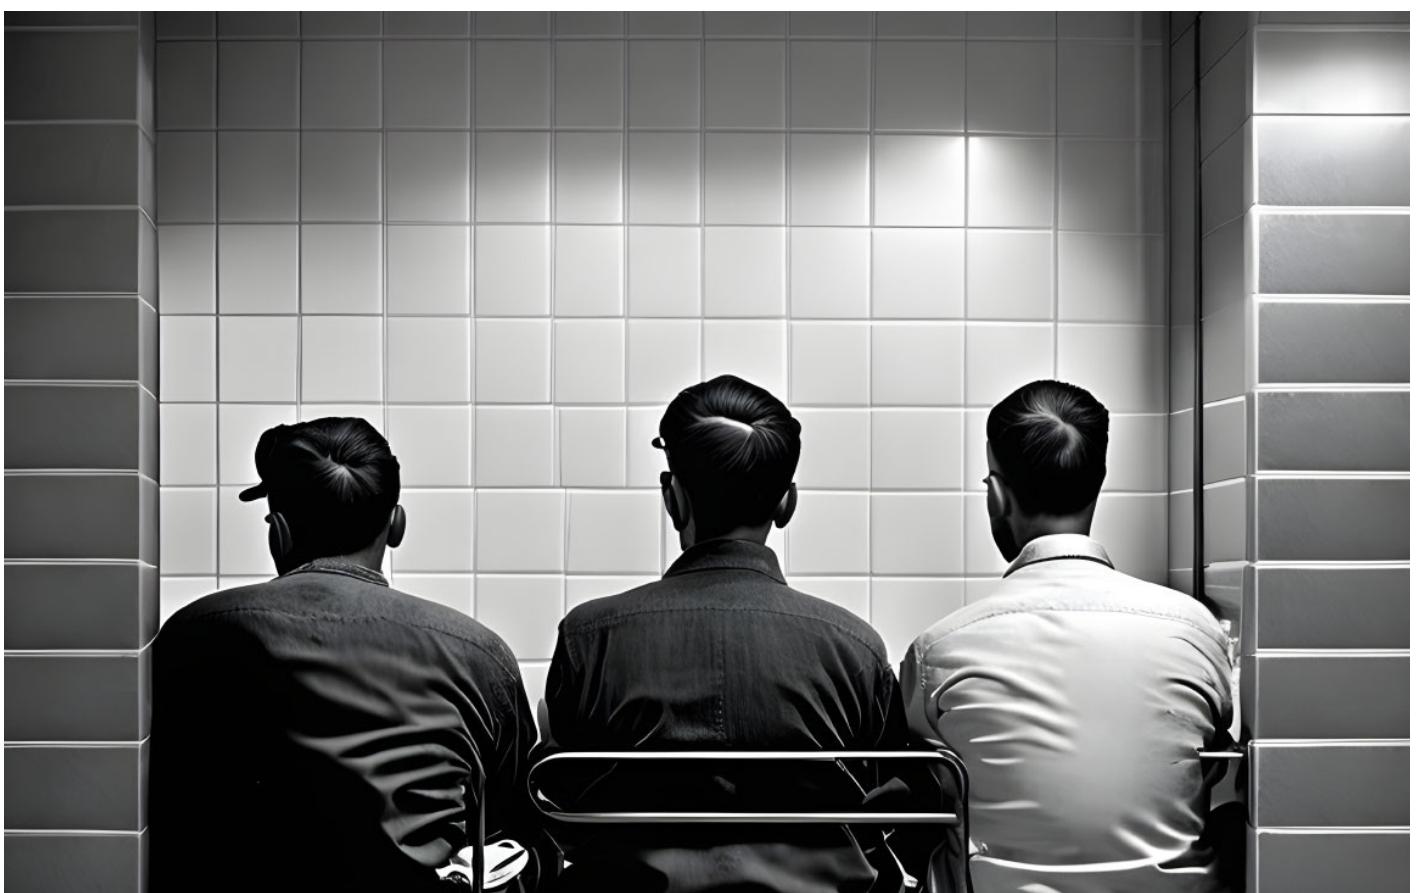

Five groggy bitter tired adult men chain smoking cigarettes in a small and claustrophobic, dimly lit elongated, gray tiled waiting room with massive gray tile walls, filled with thin smoke, while drinking coffee, before dawn. In the style of a hand pencil drawing.

Attempt 5 (that's good. Added SEPARATE men)

.

Attempt 6:

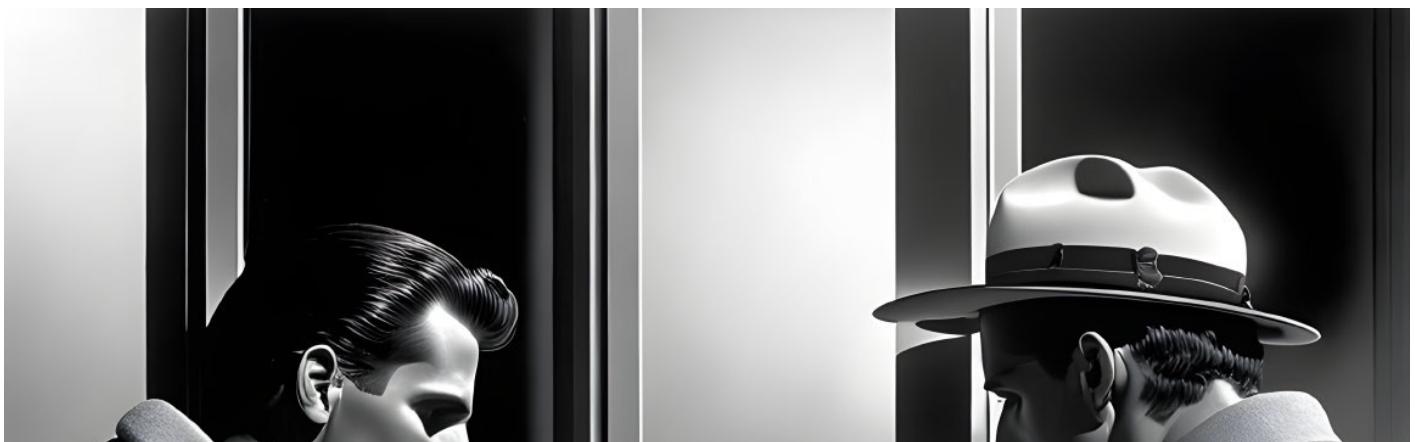

Attempt 7, slightly different prompt:

Five different groggy bitter sleepy men standing and sitting while chain smoking cigarettes in a small, claustrophobic, dimly lit elongated, gray tiled waiting room with massive gray tile walls, filled with thin smoke, while drinking coffee, before dawn. In the style of a hand pencil drawing.

Attempt 8, same prompt as 5:

Attempt 9: Evolved from Pic 5 bud added "old" as a descriptor for the men and made it as a picture evolution from that one as the source material (see below)

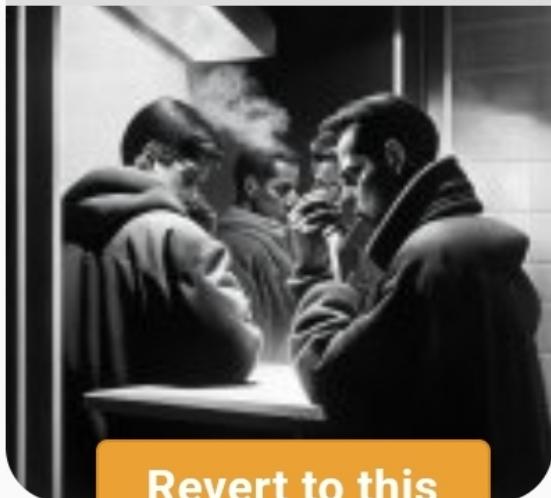

Prompt: Five separate groggy, bitter and tired aging

men chain smoking cigarettes in a small and claustrophobic, dimly lit elongated, gray tiled waiting room with massive gray tile walls, filled with thin smoke, while drinking coffee, before dawn. In the style of a hand pencil drawing.

 Try it

Evolution steps: (See in details)

Step 1

Revert to this

Attempt 10:

#6

same prompt as #5, but using the #5 collection original as a starting template and requesting a higher resolution and quality for the result. The modifier is the same description as the originals instruction;

Five separate groggy bitter sleepy men chain smoking cigarettes in a small and claustrophobic, dimly lit elongated, gray tiled waiting room with massive gray tile walls, filled with thin smoke, while drinking coffee, before dawn. In the style of a hand pencil drawing.

Attempt 11:

Rehab patients smoking together groggily at dawn(7

same prompt as #5, but using the #1 collection original as a starting template and requesting a higher resolution and quality for the result. The modifier is the same description as the collection's #5 original instruction;

Attempt 12:

Rehab patients smoking together groggily at dawn(8

Bare bones prompt of #5, but using the #4 collection original as a starting template and requesting a higher resolution and quality for the result. The modifier is the basic missing details of the description as the collection's #5 original instructions intended result; i.e.
From:

"Five separate groggy bitter sleepy men chain smoking cigarettes in a small and claustrophobic, dimly lit elongated, gray tiled waiting room with massive gray tile walls, filled with thin smoke, while drinking coffee, before dawn. In the style of a hand pencil drawing."

To the new:

"Five groggy worried men smoking cigarettes and claustrophobic, waiting room with massive gray tile walls, filled with smoke, drinking coffee, at dawn."

Attempt 13

Rehab patients smoking together groggily at dawn(9

Modified prompt of #5, but using the #7 collection original as a starting template and requesting a higher resolution and quality for the result. The modifier is the basic missing details of the description as the collection's #5 original instructions with a more mental and detailed focused intended result; i.e.

(Cut from the #5 prompt:)

"Five separate groggy bitter sleepy men chain smoking cigarettes in a small and claustrophobic, dimly lit elongated, gray tiled waiting room with massive gray tile walls, filled with thin smoke, while drinking coffee, before dawn. In the style of a hand pencil drawing"

To the new prompt listed below.

Five groggy worried men smoking cigarettes and claustrophobic, waiting room with massive gray tile walls, filled with smoke, drinking coffee, at dawn."

Attempt 14

Rehab patients smoking together groggily at dawn(10

A higher resolution repeat of the previous #9 collection in higher resolution with the same process:

Modified prompt of #5, but using the #7 collection original as a starting template and requesting a higher resolution and quality for the result. The modifier is the basic missing details of the description as the collection's #5 original instructions with a more mental and detailed focused intended result; i.e.

(Cut from the #5 prompt:)

"Five separate groggy bitter sleepy men chain smoking cigarettes in a small and claustrophobic, dimly lit elongated, gray tiled waiting room with massive gray tile walls, filled with thin smoke, while drinking coffee, before dawn. In the style of a hand pencil drawing"

To the new prompt listed below.

Five groggy worried men smoking cigarettes and claustrophobic, waiting room with massive gray tile walls, filled with smoke, drinking coffee, at dawn."
